listing Description

This is a big boat that handles big water fantastically. Can't feel any waves even on those choppy days. This is priced to sell and because the boat could use a full refinish and possibly new interior to make like new. You could also remodel the interior and add a tower and this would be a killer new boat at a great price point. You can really make it your own!
Large cuddy with couch and tv plus the vacuflush head. Large bowrider up front for lots of open seating. Great boat for someone who wants a larger boat they can put some money into and make it like new and their own taste!

Brand

Stancraft

Year

2013

Engine Size

860
