## listing Description

---

Truly amazing, one of a kind 290 Rivelle with a solid wood hardtop. Plenty of shade from the sun and still plenty of space to catch some rays on the back and in the bow rider. Very impressive sound system with 10 speakers and 2 subs. Refrigerator in the rear seating area and walk through bar below decks. Joystick controls at the helm with twin 430 hp motors. Stunning boat that turns heads in every marina you pull into. Boat is on consignment and ready for new owner! Call for more details.
