listing Description

Twin Ilmor 520hp engines

These are the biggest engines possible with a joystick so it's one of the fastest big boats on the lake!

Only 70 hours!! The boat interior and the engines have all been recently updated and refurbished.

Walk through bar with storage and large fridge below deck with bench seat across.

Drawer fridge below rear seating. Large floor cooler.

Amazing stereo with 10 Hertz speakers and 3 - 12" JL subs.

J shape seating so its really open inside and feels huge.

call or email for more info or to schedule a test drive!
