listing Description

This is a beautiful preowned but lightly used 26' dayboat we are selling on consignment with low hours. It spent two seasons on crystal clear coeur d alene lake water, never been in salt. Has a Mercury 8.2L 430hp motor with auto drive trim on shifter and joystick controlled water jet bow thruster option. Refrigerator in the rear seating area. Great looking tower with large canopy for shade on those hot days. Cruises between 25-40mph and tops out at 53mph. Auto Zipwake trim tabs on the transom. Large integrated swim platform with swim ladder and walk through on engine hatch for swimming access off the back. great cruiser or all day bay boat to lounge in!
